LOOKING TOWARD OUR FUTURE

Dear Friends,

As we look back on the past year here at Grenville Baker Boys & Girls Club, we are grateful and proud of all that we have accomplished collectively. In 2024, our mission—to inspire and enable all young people to realize their full potential as productive, responsible, and caring citizens and community leaders of tomorrow—was not just upheld but expanded in powerful and meaningful ways.

This year, we served more than 1,400 youth across our programs, providing safe spaces, caring mentors, academic enrichment, and leadership opportunities that help shape brighter futures. Our afterschool and summer programs continued to drive measurable gains in literacy, STEM engagement, and social-emotional growth. We launched new initiatives focused on mental health support and career readiness—responding directly to the evolving needs of the young people and families we serve.

None of this would be possible without the unwavering support of our community. To our donors, volunteers, staff, Board of Directors, and community partners: thank you. Your belief in our mission fuels everything we do. Special thanks go to our cornerstone supporters and longtime champions who have made transformational investments in our work. Your dedication leaves a lasting legacy on the lives of countless children.

As we look ahead, we remain focused on closing opportunity gaps and expanding access to high-impact programs. Our vision for the future includes enhancing our K-5 program as the foundation for members' continued Club involvement beyond elementary school, as well as elevating the tween and teen experience with a focus on future readiness, partner collaboration, and expanding horizons. We are preparing today's youth to become tomorrow's leaders—empowered, resilient, and ready to shape the world around them.

Thank you for standing with us and believing in the promise of every child. Now more than ever, America needs Club kids, and Club kids need us all.

With gratitude,

Melissa A. Rhodes
Executive Director

2024 YOUTH OF THE YEAR

Hunter

“The Club **NURTURES the **POTENTIAL** within every kid like me to provide the **BEST FUTURE** possible.”**

The Youth of the Year program honors Grenville Baker Boys & Girls Club's most inspiring teens for their leadership, service, academic excellence, and healthy lifestyles.

Hunter, a Club member since age five, was inspired by his sister and mentor Alex. Alex's guidance shaped Hunter into a confident, mindful leader.

As a Keystone Club member, Hunter focused on leadership and service, including a life-changing trip to Greece. This fall, he began his freshman year at Nova Southeastern University, majoring in Marine Biology.

Keystone Service Trip

Keystone is a community service and leadership program for high school members at the Club. Over the past year, these dedicated teens supported nearly every major Club event, including the Pancake Breakfast, Thanksgiving Dinner, and the Day for Kids Carnival. They also organized a Culture Fair and volunteered with local organizations such as soup kitchens and the Miracle League.

Keystone members took their commitment to service to a global level by traveling to Athens, Greece, to volunteer with refugee families from Syria, Iraq, and Afghanistan. In partnership with the organization Love Without Borders, they provided educational workshops, art therapy, and emotional support to displaced children and adults.

The experience was both humbling and transformative. The members demonstrated maturity, compassion, and leadership as they embraced this opportunity to make a meaningful difference. Their work abroad reflects the true spirit of Keystone—service, leadership, and a desire to build a better world.

"I can empathize with the experience

of the refugees in Greece.

I know what it's like to come to a new country

and have to adopt to a new way of living." - Yulie D.

"Being able to listen to their stories,

and go home **knowing I impacted**

their lives even in

the slightest is a privilege

I wish to have." -Dayana A.

"Keystone is about helping others,

making a difference, making someone's day, making kids smile,

donating to charity, bringing everyone together,

and **helping our community."** -Valentina C.

Power Hour

Each afternoon the Club focuses on this homework help and tutoring program, providing members with space, time, and assistance to complete their assignments. Power Hour helps members be more successful in school and encourages them to become self-directed learners. A child's participation is tracked for recognition through our incentive program.

STEM

Based on the idea of educating members in four specific disciplines: science, technology, engineering, and mathematics in an interdisciplinary and applied approach so that kids will develop their problem-solving skills as well as collaborative work skills. They will learn coding and participate in hands-on experiments.

Hall Of Fame

Grenville Baker Boys & Girls Club Hall of Fame honors donors, alumni, and volunteers whose personal sacrifices and community service exemplify the Club's mission. Each honoree, through their commitment and service, has helped lay the foundation to create the Club as we know it today.

2024 Hall of Fame Inductees

Presented to Stephen Ely

Steve Ely moved to Locust Valley with his wife, Susan, after their marriage in 1970. Susan became involved with the Girls Club, and later with the Boys & Girls Club, serving on its board until her passing in 1997. Soon after, Steve stepped up to join the Board, offering his financial expertise to help manage the Club's finances and endowment. He later transitioned to the Advisory Board, where he proudly served on the Susan Ely Memorial Scholarship Committee and as a Youth of the Year judge.

Sadly, we lost Steve in 2025. Today, his wife Jennifer Ely, his four children—Lyda Ely, Lynn Dixon, Sara Hulse, and Sterling Ely—and his stepdaughter, Eliza Wehrle, remain loyal friends and continue to support the Club.

Presented to Lisbeth and Brian Finnerty

Lisbeth and Brian Finnerty met at Fordham University and married in 1985. After living in Bayside, Port Washington, and Lattingtown with their four children, the Finnerty's became deeply involved with Grenville Baker Boys & Girls Club. Lis began by volunteering for the clothing sale. She coached softball, served on committees, was instrumental in starting the tennis portion of the Pidge Martin Golf Outing, and created swag by embroidering tennis towels and making key chains. She also helped organize the popular Pickleball outing and serves on the Thanksgiving dinner committee. Lis, an Associate Broker with Daniel Gale, also organizes office donations for the Club. Brian, who worked on Wall Street, served on the Clambake committee. The Finnerty's are proud supporters and faithful friends of the Club.

2024 Recognition Awards

William “Bill” Hinckley Award

Named in honor of the Club’s first Executive Director, the William “Bill” Hinckley Award is given annually to a Club staff member who has demonstrated a commitment to the Club, its members and their families by consistently performing at a level of excellence.

Presented to Shirley Durkin-Freni

Shirley Durkin-Freni is a lifelong resident of the Bayville and Locust Valley community. Deeply committed to enriching the lives of local youth, in 2004 Shirley became a vital volunteer at the Club, providing homework help for the members in grades 1-6.

After concluding a successful career in Human Resources at a local electronics firm, Shirley transitioned to the Club in the newly initiated role of HR Specialist, where she implemented improvements in benefits, strengthened recruitment efforts with local colleges, and facilitated opportunities for Federal Work Study students. In keeping with her penchant for employee and member engagement, Shirley would disguise herself as Mrs. Claus, step in for Little Chefs’ cooking class, and teach an aspiring clothing designer how to sew.

Shirley’s focus over the past 17 years has been on providing exceptional customer service to the staff and ensuring that the Club can provide the best role models and mentors for its membership.

MacDonald Family Volunteer Award

The MacDonald Family Volunteer Award is awarded annually to an individual volunteer or group of volunteers that devote a significant amount of their time, talent, and passion to support the operations and programs of the Club. In honor and in memory of May Iaconelli, the MacDonald family matriarch, an active Mother’s Club volunteer who devoted countless hours to the Club through the pizza kitchen and the clothing sale, and her son James MacDonald, a Club alumnus and long-standing board member with a passion for sports, the MacDonald Family Volunteer Award recognizes those that invest in betterment of the Club and the lives of the children we serve.

Presented to Kids in Nature

Hon. David J. Gugerty, Daniel Kriesberg, Paul Mager

Kids in Nature was founded in 2020. Its mission to facilitate fun and educational outdoor experiences for young people has become a program Club members look forward to each year. Its founders Dave Gugerty, a Nassau County Supreme Court Judge and Club Alumni Wall of Fame Inductee, Dan Kriesberg, a science teacher at Friends Academy who has had a lifelong interest in nature, and Paul Mager, an outdoor enthusiast and Club parent, generously offer their time to organize a comprehensive program that brings Club kids on hikes through local preserves. Members learn first-hand and experience what it is like to be in the woods and witness its inhabitants in their natural setting. Dave, Dan, and Paul share their vast knowledge with our young Club members who are so eager to learn.

EVENTS

THANK YOU TO THE GBBGC COMMUNITY FOR A GREAT YEAR OF SPECIAL EVENTS!

Grenville Baker Boys & Girls Club hosts a variety of special events throughout the year, each designed to support the Club's mission of inspiring and enabling all young people to realize their full potential. Our events raise funds which allows us to continue to provide enriching programs and opportunities for our local youth. Thank you for making a difference!
